Insurance cover for War and Hijacking

Pursuant to the seven days cancellation notice for all aviation war/hijacking insurances by underwriters in the aviation market, it is understood that some airlines may no longer hold a fully comprehensive (all risks) insurance policy.

The Department of Civil Aviation of Mauritius requires that since 24 September 2001 all flights operating to and from Mauritius are fully insured against third party liabilities. All local airlines representatives are kindly requested to take note and comply with these requirements and inform in writing both the offices of the Department of Civil Aviation and the Airports of Mauritius Company Ltd of compliance with full insurance cover.

NOTAM A0005/03 is hereby cancelled.
