AIP Supplement
S002 – S003/ 24
24 April 2024

S002/24 – Erection of Lattice mast at Sir Seewoosagur Ramgoolam International airport

A Lattice mast is erected at position 202556.87S 0574128.80E which is 2187 m from Threshold Runway 14 along Runway centerline and perpendicular distance 147 m left hand side from Runway centerline

Height of mast: 46.27 m AMSL (10 m above ground).

Mast is marked with red and white markings and fitted with obstacle light on the top. The mast protrudes the transitional surface by 9 m.

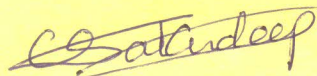

(This AIP Supplement replaces NOTAM A0084/22)

S003/24 – Control measures for outbreak of Avian Influenza in Reunion Island

Due to the recent outbreak of Avian influenza in Reunion Island, control measures have been reinforced for passengers travelling between Reunion and Mauritius and between Reunion and Rodrigues as follows:

1. No live animals and products of animal origin including poultry products whether cooked or raw should be introduced into Mauritius or Rodrigues.
2. In case these products have been inadvertently brought during their travel, passengers should immediately report same to Custom on arrival.

(This AIP Supplement replaces NOTAM A0047/24 and B0006/24)

K. SAKURDEEP
For Director of Civil Aviation
