

DEPARTMENT OF CIVIL AVIATION
COMMUNIQUE
AGRICULTURAL UAS (DRONE) OPERATIONS

It is brought to the notice of the public and the Department of Civil Aviation (DCA) approved drone operators that the Mauritius Civil Aviation Requirements Unmanned Aircraft System (MCAR UAS) has been amended to introduce the requirements for agricultural UAS (Drone) operations.

Please refer to SUBPART G of the MCAR UAS, Issue 1, Revision 1 dated 03 September 2026 (Page 508 to 513), which contain the requirements for agricultural UAS (Drone) operations which is effective from **03 September 2026**.

The amended MCAR UAS can be consulted in our website at: <https://civil-aviation.govmu.org/Pages/DRONE/Drone-Requirement.aspx>
