ADDENDUM No 1

Dear All,

**Provision of Study for the Review of Charges for Air Navigation Services at the
Department of Civil Aviation**

CAV/QUO/NO. 4 OF 2025-26

With reference to the abovementioned project, please find hereunder replies to the following queries:

In § 6.1 (a) of the RFP, the document mentions the obligation to register to the CIDB. However, the RFP is requesting some consultancy and not any construction. FRACS is also a Consultancy office in aviation and not a construction enterprise, and we don't correspond to any of the categories mentioned on the CIDB website.

Could you confirm that there is no need to register to the CIDB for consultancy activities? If not, would it be possible to require some assistance from your services to identify potential categories under which we should register?

Answer 1

As mentioned in the Bidding Document, Consultants are strongly advised to consult the website of the CIDB (cidb.govmu.org) for further details concerning registration of consultants.

It is advisable for your company to register to the CIDB. Non-compliance of above will be a major deviation as it is an eligibility criteria.

In both mentioned RFPs in object, the RFP does not indicate in which currency the contract will be established. Is it possible to make a proposal in Euros and have a contract established in Euros?

Answer 2

The Bidder may quote in any currency including EUR and contract will be in currency quoted.
